We are all faced with different health challenges at some point in our lives. Because nothing is more important than our health, I would like to invite you to join me in learning about some of the latest advances in the science of Natural Health and Nutrition.

I have invited some of my closest friends. I'm sure you will enjoy the information, and it will be great to see you.

Please RSVP By: \_\_\_\_\_

Phone: \_\_\_\_\_

P.S. Enclosed is a Health Awareness Survey. Please complete and bring it with you to the Natural Health Seminar so we can better serve you.

Sincerely,
